## Local Conversations With Women

### Why We Gather

Connecting you to our community.

We think that educating ourselves on assets and issues in our community in an approachable and conversational way will aid in engagement and collective support.

### Who's Invited

Everyone has a seat at the table.

No matter your age, beliefs, location, occupation... all women are invited and encouraged to join us in important conversation.

### What You Get

Education. Connection. Action.

Together we learn about an important topic ([you vote on](#)). We ask questions. You receive information on how you can make a difference if you are motivated to do so.

### How It Works

Collaboration.

A local business offers their space for us to gather. A local business sponsors a portion of the food/beverage costs. Attendees pay a small fee for food, beverages and education. We gift the speaker/s with a gift card for their time and materials. You get connection, informational take-aways, and a night out!
